Ask Dean w/ President 11.30

Why we're out there & what we want to accomplish.

Dr. Conant: Independent

Good News to my ears - I agree with everything you've said.

- national interest in that whole area.

A "Communists would it even say Thank you."

Down the road you have to form communist china & the negotiation - how plan in United Nation.

Organization of Peace in Asia.

dangerous - but it's real.

Will U.S. people back us - yes. they will.

- they need to know the stakes.

- they understand pledge, they understand

they don't understand national interest

unemployment - cost of unemployment discussed but not evidently much.

if unemployed: we're committed & win a general war.

- talk about a known set of calls.

- if you play it carefully you don't commit.

- very heavy about whole enterprise
